The screenshot shows the KUPID portal homepage. The sidebar on the right contains several menu items. A red box highlights the '학술관리시스템' (Academic Management System) link, and a red arrow points to it with the word 'Click' written next to it. Other visible items in the sidebar include '도움말', '즐거찾기', '원격지원', '재정정보', '도서관', '취업정보', '연구포털', '연구네트워킹', '강의저작도구', and '호보제작'.

This screenshot shows the KUPID portal with the 'Registration/Graduation' menu expanded. The 'KULMS' link is highlighted with a red box, and a red arrow points to it with the word 'Click' written next to it. The expanded menu includes 'Curriculum', 'Graduation Credit Requirements', 'Graduation Requirements', 'Graduation Requirements Status', and 'Interdisciplinary Courses'. The main content area shows various notices and university events.

☑️ 한국어센터 계정 로그인(Log in with your Korean Language Center account)

The image shows a two-step process for logging into the LMS. The first step is on the main LMS page (lms.korea.ac.kr), where the 'KUKLC Login' button is highlighted with a red dashed box. An arrow points from this button to the second step, which is the 'KUKLC Login' form. In this form, the 'ID' and 'Password' input fields are also highlighted with red dashed boxes, and arrows point from these boxes to labels 'ID' and 'Password' respectively. A '로그인' (Login) button is located below the input fields. The page footer includes the text '개인정보처리방침 | 비밀번호 찾기' and 'Copyright (C) Korea University. All Rights Reserved'.

The image shows two overlapping screenshots from the Canvas LMS interface. The top screenshot displays the 'Language Settings' page for a user named '박일정'. A red dashed box with a red arrow and a yellow circle containing the number '7' highlights the user's profile picture in the top-left corner. The page title is '박일정 Settings'. The language is set to 'English (United States)'. The bottom screenshot shows the 'Dashboard' page. A red dashed box with a red arrow and a yellow circle containing the number '8' highlights the 'Go to course' button at the bottom of the page. The dashboard shows 'Recent Activity' with 31 announcements and 19 discussions. The bottom of the dashboard features a banner with the text 'WE ARE THE NEXT' and 'TA/Auditor application'.

The screenshot shows the Chrome settings page in Korean, specifically the 'Privacy and Security' section. A red dashed box highlights the 'Clear browsing data' dialog box, which is used to clear internet usage records. The steps are numbered 3 through 8:

3. Click on '개인 정보 보호 및 보안' (Privacy and Security) in the left sidebar.
4. Click on '인터넷 사용 기록 삭제' (Clear browsing data) under '개인 정보 보호 및 보안'.
5. Click on '고급' (Advanced) in the '인터넷 사용 기록 삭제' dialog.
6. Click on '전체 기간' (All time) in the '기간' (Time range) dropdown.
7. Check the '인터넷 사용 기록' (Browsing history) checkbox.
8. Click on '데이터 삭제' (Delete data) at the bottom right of the dialog.
